KOREAN ART OF SELF DEFENCE

DEMO TEAM PROUDLY DISPLAYING THEIR COMMERORATIVE PLAQUES

Hours of individual practice along with sessions attended for rehearsal all finally paid off in a scintillating performance by members of the Team in a half hour 'non stop' program that had the audience enthralled and asking for more.

Having sat back and enjoyed the spectacle, Grandmaster Choy IX commenced with words of appreciation to all by first thanking Master Manning VII, the program coordinator, assisted by Mr. Bryan VI, for the care and effort taken in preparing the team before following on by thanking each member personally during the presentation of individual 20th Anniversary Gold Medals mounted on a plaque.

Hope is that the display will have been an inspiration to all Black Belts to endeavor to 'specialize' in any one, or more, of the myriads of Taekwon-do techniques that should be evident to all students of the art.
