KOREAN ART OF SELF DEFENCE

### SYLLABUS DVD'S

Two years of persistent hard work and diligence by all involved now culminate in the BUTF proudly presenting to its membership the 10 completed Kup Grade Syllabus DVD's that are, and will be for years to come, the benchmark by which traditional Taekwon-Do is taught in the Federation.

Credit together with appreciation at this time has to be given to Master Manning VII who initially voiced and outlined the possibility of such a project, and Mr. Snelders IV, who's doggedly self-taught skills in filming and editing, transformed the idea into reality and finally fruition. The fruits of ALL our labour's are already evident in the ease by which newly promoted students not only take to, but perfect their new syllabus, much like fish taking to water.

**ALL TEN DVD'S ARE AVAILABLE FROM YOUR INSTRUCTORS**
